

SCULLCOM HOBBY ELECTRONICS - MILLIOHM METER Mk2 PARTS LIST

PCB is available from OSH Park. A PCB (using surface mount components) designed by one of my subscribers "pbreviceps" (Greg Christenson). Greg has taken my design and produced a very high quality PCB (double sided) and made it freely available to purchase from OSH Park (3 blank PCB's are supplied at a cost of US\$19.5 plus shipping costs).
